Re: ET Docket No. 04-352, *Petition for Waiver of MBOA-SIG*
Ex Parte Communication

Dear Ms. Dortch:

On behalf of Freescale Semiconductor, Inc., pursuant to Section 1.1206(b)(2) of the Commission's Rules, I am electronically filing this letter to report an oral *ex parte* communication in the above-referenced docket.

Yesterday, Martin Rofheart of Freescale and I had a conference call with Ed Thomas, Julius Knapp, and Alan Scrimme of the Commission staff. On February 22, 23, 25, and 28, I had brief telephone conversations with Julius Knapp and/or John Reed. The topic of each call was the importance of treating ultra-wideband modulations equitably, as set out in Freescale's pleadings of September 29, 2004, and October 21, 2004, and its *ex parte* filing of November 5, 2004.

Please do not hesitate to call with any questions.

Respectfully submitted,

Mitchell Lazarus
Counsel for Freescale Semiconductor, Inc.
